## ORGANIZED LABOR.

The public can get some idea of how thoroughly labor is organizing in this country by reading the sketch of the National Federation of Bookkeepers and Clerks by ERNEST KORN, in THE EVENING WORLD to-day.

The union of Labor is the result of and the answer to the combination of Capital. It is a measure of self-protection—a recognition of the truth that is the basis of the Federal Government—"In union there is strength."

Whether the trades unions can be successfully joined in a great Federation, that will operate harmoniously and beneficially for all its members, is a problem yet to be solved.

Meanwhile the unions will continue to speak for themselves in THE EVENING WORLD.

## THE BUDDENBIEK AQUEDUCT.

Politics and contracts make a bad mixture. It is not a pleasant spectacle to see both the great political parties represented by counsel before the Aqueduct Investigating Committee. What place has politics in a great public work? There is not a Democratic and a Republican way of building an aqueduct. There is only an honest and a dishonest—a thorough and a shoddy—way.

So long as public contracts are regarded as political perquisites, and contractors are bled to pay campaign expenses, just so long there will be cheating and stealing in the work.

## THE KISS CURE.

The panacea for ills that flesh is heir to, as applied by Dr. FREIX, of the "Metropolitan Church of Humanity," is older than even the "Faith Cure" or the "Christian Science" treatment.

It may be called the "H. and K." method. It was originally employed in loveless know only. But the modern healing art lays hold of everything helpful, and so the "magnetic kiss-cure," interspersed with rubbing and hugging and mesmeric dark seances, has been developed.

No doubt this treatment may be pleasant under proper circumstances, but the history of the world shows that it kills more than it cures.

THE EVENING WORLD newsboys won the first half of yesterday's game, and magnificently gave the second and biggest part to their Western visitors. Our boys know what belongs to hospitality, though they no doubt carried it further than they intended to.

Judge THURMAN does the public a service in starting the campaign good-humoredly. The veteran says: "I have always kept a civil tongue in my head, and recognized the right of everybody to think for himself." Let both sides follow his example.

The Chicago brewer's strike has ended in a compromise. The men get their old wages and ten hours' work, and retain their union. The brewers secure the liberty of hiring whom they please.

A physician who is not engaged in editing bulletins at Washington says that SHERIDAN'S flickering life is liable to go out at any moment, like a candle in a puff of wind.

The Boston crowd generously refrained from giving Umpire LYNN a taste of his own name yesterday, when the score went against them to the tune of 11 to 5.

**FORAKERS** has broken loose again. He will find that the incriminated bandanas will cut-flop and wipe out the ensanguined shirt every time.

Thanks from Detroit's Newsboy Team.

In behalf of the Detroit Journal Newsboy's Baseball Club I desire to thank you for the way in which you have lived up to the very letter and spirit of our challenge.

Our game with you yesterday was the first bona fide newsboy game of this trip, as in every other place (Buffalo, Syracuse and Albany) we have been outclassed and met by young men not newsboys. It remained for you to carry out the terms of the challenge, and give us a fair show for victory. The Detroit Journal team are newsboys, not over seventeen years old, and I am satisfied that THE EVENING WORLD team is in every way as required.

Your defeat reflects no discredit on your team in comparison with the other games, as they were all played under the same conditions.

## IN JEFFERSON MARKET COURT.

Conrad M. Smith, Chief Clerk of the Court, is a good French scholar. He is fond of reading.

Stenographer W. L. Ormsby, although constantly engaged in transcribing, finds time to employ his journalistic talents.

Charlie Winkelman, the court interpreter, is a brother-in-law of Judge Clark. A red bandanna peeps from his coat pocket also.

David Crocker, the good-looking Alabamian Clerk, is studying law. Dave is an ardent Wig-wamite, and now carries a bandanna.

William Morgan, the Record Clerk, is termed the spiritual adviser of the Court. Through his influence many a grievance between husband and wife has been amicably adjusted.

Sergt. Combes is a great book dead, and is constantly seen hovering round stores where his favorites are to be found. He is a prominent G. A. R. man. His friends predict that he will be saluted as Captain Combes.

PEOPLE WORTH KNOWING.

Cormorant Nugent takes a deep interest in theatricals and is an inveterate fire-eater.

Clerk Hallie, of the Morton House, has hit on a sure way to beat the races. He stays at home.

Frank Bellow, Secretary of the Boos Ga Arribage Order, is missed from his familiar haunts.

Edwin H. Low, the steamship agent, is growing a full beard, which makes him look prettier than ever.

Andrew Logan Neeson, the dry-good prince, is getting so stout that he will soon be as broad as he is tall.

Courtland Van Remmelen, the lawyer, will visit Newark this summer, dropping in at Hoboken for a short stay.

Henry Pitch, the broker, and a prominent Republican, has developed a great talent for singing, much to the annoyance of his friends.

Clark Harrison Downes, of the Morton House, is an intensely English that he has the hall-boys sing "God Save the Queen" while he breakfasts.

## WORLDLINGS.

A bunch of Galloping G. O., dreamed that his horse was running away and that he was jumped from the wagon. The dream was so realistic that he jumped out of a third-story window, and when picked up was badly bruised.

Samuel J. Randall has a bright young son who wears glasses and is said to look just like his father. He is called "Little Sam Randall," and is described by a correspondent as being "as fat as butter and as sharp as a tack."

A tall hall clock that used to tell the time in Gen. Israel Putnam's house is still in use in an office in Norwich, Conn. It is seven feet two inches high with a case of polished cherry, and looks as if it would last another century at least.

Uncle Phil Louis, a colored man living in Dallas, Tex., is 187 years old. He is said to be the only man living who took part in the crossing of the frozen Delaware on the night of Dec. 26, 1776, when Washington surprised the Hessians camp at Trenton. He was then a lad of twelve.

Alfred M. Horan, of Middletown, N. Y., although totally blind, is expert in the use of carpenter's tools, and does repairs about his house and stable. He is fond of horses, and buys and sells them with good judgment, judging them entirely by the sense of touch.

THE CHALDEAN EXPLORING EXPEDITION, WHICH THE UNIVERSITY OF PENNSYLVANIA IS GETTING READY TO SEND OUT, WITH PROFESSOR PEPPER AND DR. PETERS AT ITS HEAD, WILL PROBABLY START FOR THE ORIENT ON THE END OF THE PRESENT MONTH. THE BABYLONIAN EXPEDITION IS EXPECTED TO GET UNDER WAY NEXT SEPTEMBER.

ONE OF THE WEALTHIEST MEN IN ENGLAND IS MR. MATTHEW HOLDEN, M. P., FROM THE KEIGHLEY DIVISION OF THE GREAT COUNTY OF YORKSHIRE. HE WAS A POOR SCOTCH NOT MANY YEARS AGO, THEN HE BECAME A METHODIST PARSON AND NOW HE HAS £2,000,000 INVESTED IN WOODEN MILLS BEING NEARLY AS MUCH AS HE CAN SPARE.

ALFRED M. HORN, OF MIDDLETOWN, N. Y., ALTHOUGH TOTALLY BLIND, IS EXPERT IN THE USE OF CARPENTER'S TOOLS, AND DOES REPAIRS ABOUT HIS HOUSE AND STABLE. HE IS FOND OF HORSES, AND BUYS AND SELLS THEM WITH GOOD JUDGMENT, JUDGING THEM ENTIRELY BY THE SENSE OF TOUCH.

THE KISS CURE.

THE PANACEA FOR ILLS THAT FLESH IS HEIR TO, AS APPLIED BY DR. FREIX, OF THE "METROPOLITAN CHURCH OF HUMANITY," IS OLDER THAN EVEN THE "FAITH CURE" OR THE "CHRISTIAN SCIENCE" TREATMENT.

IT MAY BE CALLED THE "H. AND K." METHOD. IT WAS ORIGINALLY EMPLOYED IN LOVELESS KNOW ONLY. BUT THE MODERN HEALING ART LAYS HOLD OF EVERYTHING HELPFUL, AND SO THE "MAGNETIC KISS-CURE," INTERSPERSED WITH RUBBING AND HUGGING AND MESMERIC DARK SEANCES, HAS BEEN DEVELOPED.

NO DOUBT THIS TREATMENT MAY BE PLEASANT UNDER PROPER CIRCUMSTANCES, BUT THE HISTORY OF THE WORLD SHOWS THAT IT KILLS MORE THAN IT CURES.

THE EVENING WORLD NEWSBOYS WON THE FIRST HALF OF YESTERDAY'S GAME, AND MAGNIFICENTLY GAVE THE SECOND AND BIGGEST PART TO THEIR WESTERN VISITORS. OUR BOYS KNOW WHAT BELONGS TO HOSPITALITY, THOUGH THEY NO DOUBT CARRIED IT FURTHER THAN THEY INTENDED TO.

JUDGE THURMAN DOES THE PUBLIC A SERVICE IN STARTING THE CAMPAIGN GOOD-HUMOREDLY. THE VETERAN SAYS: "I HAVE ALWAYS KEPT A CIVIL TONGUE IN MY HEAD, AND RECOGNIZED THE RIGHT OF EVERYBODY TO THINK FOR HIMSELF." LET BOTH SIDES FOLLOW HIS EXAMPLE.

THE CHICAGO BREWER'S STRIKE HAS ENDED IN A COMPROMISE. THE MEN GET THEIR OLD WAGES AND TEN HOURS' WORK, AND RETAIN THEIR UNION. THE BREWERS SECURE THE LIBERTY OF HIRING WHOM THEY PLEASE.

A PHYSICIAN WHO IS NOT ENGAGED IN EDITING BULLETINS AT WASHINGTON SAYS THAT SHERIDAN'S FLICKERING LIFE IS LIABLE TO GO OUT AT ANY MOMENT, LIKE A CANDLE IN A PUFF OF WIND.

THE BOSTON CROWD GENEROUSLY REFRAINED FROM GIVING UMPIRE LYNN A TASTE OF HIS OWN NAME YESTERDAY, WHEN THE SCORE WENT AGAINST THEM TO THE TUNE OF 11 TO 5.

FORAKERS HAS BROKEN LOOSE AGAIN. HE WILL FIND THAT THE INCrimINATED BANDANAS WILL CUT-FLOP AND WIPE OUT THE ENSAUNGINED SHIRT EVERY TIME.

THANKS FROM DETROIT'S NEWSBOY TEAM.

IN BEHALF OF THE DETROIT JOURNAL NEWSBOY'S BASEBALL CLUB I DESIRE TO THANK YOU FOR THE WAY IN WHICH YOU HAVE LIVED UP TO THE VERY LETTER AND SPIRIT OF OUR CHALLENGE.

OUR GAME WITH YOU YESTERDAY WAS THE FIRST BONA FIDE NEWSBOY GAME OF THIS TRIP, AS IN EVERY OTHER PLACE (BUFFALO, SYRACUSE AND ALBANY) WE HAVE BEEN OUTCLASSED AND MET BY YOUNG MEN NOT NEWSBOYS. IT REMAINED FOR YOU TO CARRY OUT THE TERMS OF THE CHALLENGE, AND GIVE US A FAIR SHOW FOR VICTORY. THE DETROIT JOURNAL TEAM ARE NEWSBOYS, NOT OVER SEVENTEEN YEARS OLD, AND I AM SATISFIED THAT THE EVENING WORLD TEAM IS IN EVERY WAY AS REQUIRED.

YOUR DEFEAT REFLECTS NO DISCREDIT ON YOUR TEAM IN COMPARISON WITH THE OTHER GAMES, AS THEY WERE ALL PLAYED UNDER THE SAME CONDITIONS.

## CLERKS.

## GROWING ORGANIZATIONS IN THE ARMY OF BOOKKEEPERS.

## BY ERNEST BOHM,

Chairman of Executive Board of National Federation of Bookkeepers and Clerks and Secretary of Central Labor Union.

[WRITTEN EXPRESSLY FOR THE EVENING WORLD.]

Recognizing the popularity of THE EVENING WORLD among the toiling masses and its position as the champion of justice and reform, I take pleasure in presenting its readers with the facts concerning the Federation of Bookkeepers and Clerks and also some data relating to the occupations which that body represents.

ORIGIN OF THE ORGANIZATION.

OUR ORGANIZATION FIRST CAME INTO EXISTENCE IN FEBRUARY, 1886. ITS OBJECT WAS THE BETTERING OF THE CONDITION OF THE BOOKKEEPERS AND CLERKS GENERALLY.

CHARLIE WINKELMAN, THE COURT INTERPRETER, IS A BROTHER-IN-LAW OF JUDGE CLARK. A RED BANDANNA PEOPS FROM HIS COAT POCKET ALSO.

DAVID CROCKER, THE GOOD-LOOKING ALABAMIAN CLERK, IS STUDYING LAW. DAVE IS AN ARDENT WIG-WAMITE, AND NOW CARRIES A BANDANNA.

WILLIAM MORGAN, THE RECORD CLERK, IS TERMED THE SPIRITUAL ADVISER OF THE COURT. THROUGH HIS INFLUENCE MANY A GRIEVANCE BETWEEN HUSBAND AND WIFE HAS BEEN AMICABLY ADJUSTED.

SERGEANT COMBES IS A GREAT BOOK DEAD, AND IS CONSTANTLY SEEN HOVING ROUND STORES WHERE HIS FAVORITES ARE TO BE FOUND. HE IS A PROMINENT G. A. R. MAN. HIS FRIENDS PREDICT THAT HE WILL BE SALUTED AS CAPTAIN COMBES.
